## Biography

With keen interest in computers, I had enrolled in the Bachelor's in Information Technology (BSc.IT), in International School of Management and Technology and later in The British College. I am easy going, fast learner and good listener with good problem-solving skill and good communication skill. Currently, I am a part of Ingrails Pvt. Ltd., Dhobighat since the year 2019 working as a Quality Assurance Analyst for the product called Veda in the same company.

## Skills & Abilities

- Good communicator with fluency in English, critical thinker and team player.
- Computing skill with decent knowledge of programming, database, office packages and project management.
- Professionally QA expert assuring the quality of the product with a vision for improvement on the quality of the product and good at solving problems.
- Familiar with QA Automation tools such as Selenium Java, Blaze Meter and postman for testing APIs.
- Good knowledge of Agile SDLC and flow of system development.

## Experience

### Operation and Support, March 16, 2021 – October 17, 2021

Operation Executive, Ingrails Pvt. Ltd

- Key Responsibilities: Providing direct support and guidance to the users of the product and help them to use the product efficiently
- Accomplishment: Great customer relation and feedback, personal growth and skill enhancements.

### Product Development Department, October 18, 2021 – Now

Quality Assurance Analyst, Ingrails Pvt. Ltd

- Key Responsibilities: Functional testing and reviewing each and every feature implemented along with providing useful suggestions and quality changes for the better user-friendly experiences. Working as a product leader and managing all the necessary directions for the benefit of both client and team.
- Accomplishment: Improvement on the quality of the product and lesser complication on the products, personal growth with good knowledge of managing a product and flow of real-life software development cycle.
